### How many people?

Hotel Crillon le Brave has 32 bedrooms so 60-70 people can stay with us at any one time. However, we also have access to excellent nearby accommodation so we can cater for up to 100 guests in total.

### How much?

Each event is unique and so the costs can vary considerably depending on what meals and other events you would like, and the time of year of your wedding. You can see a rough guide on our "Approximate Wedding Cost" sheet.

### The Church

The Eglise St Romain is a beautiful 19th century church that is a spectacular setting for a wedding with its 360 degree views of the surrounding vineyards and olive groves of Provence. Inside, the church has lots of character and is conveniently located right next to the Hotel. Catholic and Protestant ceremonies can be held in the church and blessings can also be held in the hotel gardens.

### Eating & drinking

If you have stayed previously at the Hotel, you will know the style of food & drinks we offer. But wedding parties usually enjoy one or more of our themed events. We can arrange a fun picnic lunch buffet at a nearby château with a vineyard visit and tasting. And for dinner, we do an excellent lamb roast barbecue with local specialties on our bistrot terrace preceded by a *pétanque* competition and Provençal drinks party. A more formal final evening in the main Restaurant or gardens is a natural finish to a perfect weekend. Our wine list has a large selection of the Rhône Valley's most interesting *appellations*.
