

THE SIGNATURE TREATMENT AT THE SPA DES ÉCURIES

Treat yourself to a moment of pure relaxation with our Signature Treatment, a complete ritual that cares for both body and face. Inspired by the serene atmosphere of the spa, it immerses you in a bubble of softness and total surrender.

This deeply enveloping massage, performed largely with the forearms and worked by half-body, creates a cocoon-like sensation and promotes profound relaxation from head to toe.

The treatment begins and ends with a singing bowl ritual, whose vibrations bring an energetic dimension and harmonize body and mind.

At the end of the experience, the skin feels soft, hydrated, and the mind deeply relaxed.
