Tata Harper, a pioneer in natural cosmetics, brings the purity of its 100% natural formulas, highly concentrated in plant-based active ingredients sourced from its own farms. High-performance treatments that deliver radiance, vitality, and authenticity to the skin.

Alongside this green expertise, **SeeMy Cosmetics** ushers beauty into a new era through cutting-edge technology. Its Airbrush RubyCell system, a ritual created by Elodie Raheria, is a true cosmetic innovation, diffusing powerful plant-based actives in a fine mist to deeply hydrate, smooth skin texture, and reveal a rejuvenating effect. A futuristic approach for visibly transformed skin.

Finally, **Maison Caulières** elevates the art of body rituals with exceptional plant oils, cold-pressed from its family estate. Composed of over 99% natural ingredients, these artisanal oils provide absolute comfort, intensely nourish the skin, and invite a moment of reconnection.
